# GRANT WRITING SERIES

## **WPDI** Workforce and Professional Development Institute

### Grant Proposal Planning And Writing

Develop your skills and gain confidence in your ability to win grants. This workshop teaches you how to plan and write grant proposals that will improve your success rate in winning grants from foundations, corporations, and government agencies. Sharpen your competitive edge and make your proposal stand out from the rest. Bring your grant ideas or existing proposals and put your new skills into immediate practice.

Grayslake Campus \$299

Workshops presented by

**Dr. Lynn Miner, Miner and Associates**

Grant money is available, but writing a grant is a challenging task. Learn how to write successful grants from Dr. Lynn Miner, the founder of Miner and Associates – a nationwide provider of grant-seeking and fundraising services for educational, healthcare, and nonprofit organizations - and a former research dean at Marquette University. Dr. Miner has written or coached over 5,000 proposals that have raised millions of dollars.

**Learn how to fill the gap between your organization's needs and financial resources.**
